Peace Officer Schott of Astoria The Cepheus Stranded with 500

His Murderer Escapes and Has Not Nothing to Eat or Drink, No Place to

BY AN EX-POLICEMAN. THEIR NIGHT OF MISERY. 23d

Killed in a Quarrel.

Yet Been Arrested.

Astoria is terribly excited over an apparonly wanton murder committed there early weary, disgusted men and women were At I o'clock this morning Louis Merkel Cepheus at 9 o'clock this morning.

shot and killed Julius Schott on the side-walk in front of Sirram's saloon, at the cor-sailed gayly away, dressed in their best to ner of Broadway and Steinway avenue, enjoy a day's outing, at Fire Island. The right near the Schnetzen Park. Schott and his brother-in-law, A. F.

r, were drinking in Sinram's saloon at 12.30 o'clock. Both are special deputy for conversation for many a day to come. policemen, being sworn in as extra peace officers. Louis Merkel came into the saloon shortly

afterwards. Schott, who has a wife and easy as rolling off a log. It was only when three children, no sooner saw Merkel come he tried to bring them home again that he in, than he exclaimed to his brother-in-law: found that, like a great many other occupa-"There is the — who hit my little boy," tions, a steamboat captain's lot is not a happy one.
"Then Schott went up to Merkel and one.

STRANDED IN THE MUD.

Merkel's reply was unsatisfactory, and the two men get into an altercation. Schott advanced towards Merkel with uplifted fist. Merkel is a big man, apparently stronger than Schott. He reached into his pistolpocket, drew forth a 38-calibre British bull-dog pistol.

Bloemer then ran out of the saloon, saying he was going to get a warrant for Merkel's ground. arrest for threatening Schott with his pis-

After he was gone Merkel and Schott went out on the sidewalk and renewed the quarrel. It is asserted that Schott struck Merkel with his fist, but that is not positive. There

his fist, but that is not positive. There were two pisted shots.

Merkal had fired his pisted point blank twice. One billet took effect in ischotts showned. Schott fell down with blood gushing from his wounds. Ten monites later be was dead floemer returned just in time to rec his brother-in-law breathe his last.

As soon as lighted did the shooting he put the smoking pisted in his pocket and ran away. He has not been seen since.

Enout was thirty years old. He was a barber and his shop was in the same block and only a few feet away from the place where are was killed.

It appears that Merkel had struck his little bor for some cause or other, and Schott had determined upon an explanation from Merkel has a size and family. He is an ex-nolice-man, having served on the force under eximate when having served on the force under eximate having as reveal on the force under eximate was repeated. He was a having served on the force under eximate when having served on the force under eximate when has a wife and family. CONFERRING WITH GOV. HILL

Democracy's C' iefs Meeting in a Hoffman House Parlor.

Will There Be Union with the Counties ?-Mr. Ivins's Schedule.

Gov. Hill arrived in the city from Albany to-day, and as commander-in-chief of the Fine Damask Cloths:

riving there about 2,30 P. M. That was as paign which will be inaugurated to-morrow morning, when the State Committee will Prior to the Governor's coming, the pro-

ramme had been pretty definitly settled, and needed but little more than his sanction omale it perfect.

Assemblyman William N. Sheehan, the Cloths \$2.50 per dozen.

Governor's right bower in the lower House, came on yeaterday ripe with information as to the Governor's desires, which he imparted to Chairman Edward Murphy, jr., of

The excursionists laughed at first, but they kicked like his Satanic Majesty when they found they would be detained there platform for to-morrow's meeting, breakasted together at the Hoffman this morn-Gov. Hill's law partner.

they learned that the beer and whiskey had also given out.

What was to be done?

A man may be nappy at a clambake or at a number of other social events even if he has northing to eat nor drink, but at Fire Island, the deep blue see and mud all about him he must be excused for feeling out of humor, and Capt.

Pearce never heeded the many but words said about him—may be because he did not him—is got the band to play "Robin. I'll Be they see in it a period of repulsition of their organization by the Committee.

True to Thea. "Call Me Back Again," and This lear resunted in a convergence of dis.

"My friends," said the Captain, "I have no objection to your using the decks and even the saloon." "Is that all you have to offer?" was asked. "It is," and with a feeling of desperation at the heart the unfortunates began to look for soft spots in the planks. There was very little moring heard as the hours wore on, and many men and women were seen walking about presumably in their sleep. were seen which the wakeful, watchful ones as if the tide would never come into that inlet again but it did slowly and surely and at the way it was high enough to ficat the Cophens and Capt. Pearce gave the signal to A Cut in Silks.

Caphens and Capt. Feares gave me signal to "go shead."
Abead she went, and the surfeited pleasure-seekers got un from their beds of rapes, and deeke and campe-tools, congratulating themselves that they would be home in time for breakfast, but they we're bitterly disap-Silk Department with a very notable cut on several of our newest and most desirable lines pointed.

The Cepheus auchored again in the Chan-nel, because she could not get over the bar until 5 a. m. of Black and Fancy Silks. The only cause for such an extreme MANY SUFFER FROM THE COLD.

One facetions individual proposed that the men should get out and lift her over the bar like a fractions horse-car, but his proposition met with silent contempt.

Again the swent resicers sleep was sought until 5 a. M., when the signal was given to start for home.

It was bitterly cold, some of those on hoard going so iar as to say they were frostibitien and that incles swing from the furnaces, but this is possibly an exaggration.

Anyhow it was cold amough to make every one incomfortabe and give the young men as gallant excuse for wramping their coals of arms around their 'best wirl.'

At last New Tork was sighted.

A feeble choor went univous the scentralonists, and when they were finally landed a wint scamper was made for hore cars, elevated roads saloons and cating-houses. measure is our determination to stir up an increased activity in this department right at the out-
